

# Did you know?

f.u.n Fridays is helping to achieve the Sustainable Development Goals (SDGs)!

Free community meals are prepared by Community FEWD with support from other local partners. Groceries From The SEED is a weekly guest with their sliding scale grocery store offering fresh produce up to 33% off the retail price.

f.u.n. Fridays help to address the inequalities facing people living in Onward Willow. With up to 75 weekly visitors, f.u.n Friday is a place for people to get what they need, and build connections within their community.

f.u.n Friday brings resources and information to the community with rotating weekly community vendors. This is helping to connect community members to valuable local resources and increase awareness of support services in communities.
